

“Believing is Achieving”

19<sup>TH</sup> March 2019

Dear parents & carers,

As a school we believe that our pupils have a much greater chance of realising their potential when parents are fully aware of, and involved in their child's education. One way to bring about this involvement is maintain the framework whereby, parents are regularly invited to come to school in order to discuss their child's progress. As you know we have regular parents' evenings and pupil progress review meetings as well as formal and informal one to one meetings with parents throughout the year. However, it's also very important that you're kept in the loop regarding school developments and for this reason I am writing to invite you to an informal meeting on **Tuesday 26<sup>th</sup> March 2019 at 3.00pm** for about 30 minutes. At this meeting I will be able to give you further details about the building extension and the new uniform. It will also give you the opportunity to ask me any questions and to address any concerns that you may have. Refreshments will be available.

Finally, may I remind you that we have an 'open-door' policy should concerns emerge. In effect this means parents are welcome to contact the Headteacher at any time during the day or subject teachers preferably before or after school. Similarly we will continue to contact parents should the school have a concern.

Kind Regards

*Stephen Pritchard-Jones*
