

**“Believing is Achieving”**

Monday 20<sup>th</sup> June, 2019

Dear parents/carers,

Re: Leavers celebration

To celebrate the end of exams Shepwell school traditionally hosts a leavers event. This is always a pleasurable event and done as we are very proud of the hard work and commitment shown by all pupils. Year 11 have been amazing during the exam period and conducted themselves with maturity and dedication.

Usually, at great expense to the school, we host a leaver's barbeque. However, this year feedback from pupils asked if they can have a leaver's meal at Nando's. As a school, we want to reward pupils but this may be an expensive visit for us to fund, in addition to the vast amount of events run throughout the year. Therefore, in order for us to fulfil the wishes of the pupils we are asking for a voluntary contribution of £5 per pupil towards their meal.

The meal will take place on Friday 14<sup>th</sup> June, at lunchtime, and pupils will be accompanied to the restaurant by their year 11 teachers to share in their celebrations.

If your wish for your child to be involved in these celebrations can you please send in this voluntary contribution by Friday 7<sup>th</sup> June.

Thank you for your support throughout the year and well done to all pupils, you have all be truly fantastic and we are proud you have been pupils at our school.

Regards.
