

"Believing is Achieving"

Our Ref: LS
Date: 4th June, 2019

Dear Parents/ Carers,

RE: Sponsored walk

By popular request from students, we are currently arranging our annual sponsored walk/run around Walsall Arboretum park. Those of you who supported the event in the past know it was a huge success and not only did we raise a lot of money we also had a wonderful day – for a second year the sun was shining.

It was lovely that pupils were asking for the event to take place this year – well done.

The plan is that on Monday 15th July, 2019 we will meet at Walsall Arboretum at approximately 10.00am for registration. We will then take part in a walk/run around the park to raise money for good causes. More details will follow about timings of the day.

This year we have decided that, as we are all aware of growing financial constraints on education, this money will be raised for Shepwell pupils and be used to part fund events throughout next academic year.

Attached is the sponsor form for the event, all money donated will be very gratefully received no matter how big or small.

In addition, we will hold a tombola and raffle and would appeal to you for prizes for these activities. If you could send anything suitable in we would be very grateful.

Please keep this date free in your diary as we really enjoyed welcoming parents (and their dogs) to the event last year also. Thank you in advance for your support.

Yours faithfully,

L Southall

Mrs L. Southall

Deputy Headteacher.
