Date: 1<sup>st</sup> May 2019

Dear Parent/Carer

We are organising a trip for all year 9 pupils to attend a careers event held at **Wolverhampton Racecourse** on **Tuesday 14<sup>th</sup> May**, this a chance for the students to explore further post 16 options and talk to a number of professionals and companies regarding their post 16 options.

We will be leaving school around **9:00am** travelling by coach to the racecourse; we will be leaving around **11:30am** in order to ensure that the pupils will be back in school for lunchtime.

This event, jointly organised by Black Country Chamber of Commerce and Black Country Skills Factory, will take place as part of the Black Country Business Festival and is for schools and businesses aiming to increase employer interaction and enlighten young people to the array of career opportunities available to them.

Students will have the opportunity to be involved in up to twelve-speed networking sessions lasting five minutes each. During this time, students will have the chance to speak directly to industry experts about routes into careers, general work activities, and opportunities for employment and apprenticeships across key sectors.

Please do take the time to visit our website and twitter account in order to keep up to date with school news and important information.

Should you wish to discuss any of the contents of this letter then please do not hesitate to contact Jayne Hoey or myself.

Kind Regards

*Karis Osborne*

SLSP and Head of careers
