

“Believing is Achieving”

11th February 2020

Dear Parent/Carer

Re: **Opening Doors in the Black Country Trip – 5th March 2020**

We are organising a trip for all KS3 to attend the Opening Doors in the Black Country event. Opening Doors will provide the opportunity for employers to give an insight to local schools in how their organisation works, and the range of career opportunities there are available for Shepwell pupils. This a chance for the students to explore the world of work and to visit a multi-million pound company seeing how it works from all perspectives, from the cleaners to the managers.

We are visiting a local company A F Blakemore in Great Bridge, Dudley.

We will be leaving school around **9:00am** and aim to arrive back by **1:30pm**, pupils will need to bring a packed lunch. For Free School Meal pupils, a packed lunch will be provided.

Please do take the time to visit our website and twitter account in order to keep up to date with school news and important information.

Should you wish to discuss any of the contents of this letter then please do not hesitate to contact Jayne Hoey or myself.

Kind Regards

Karis Osborne
SLSP and Head of Careers
