

“Believing is Achieving”

Wednesday 13th January 2021

Dear Parent/Carer

Re: ‘Meet the Headteacher’ Wednesday 27th January 2021 between 3.00pm-6.30pm on School Cloud.

At Shepwell Short Stay School we value feedback from all partners. This includes the thoughts and opinions of parents of Shepwell School students. Where possible, we act on this feedback to continually improve our students' educational experience and we value the contribution that parents make towards improving outcomes for our wonderful students. As you are aware, we collect parent feedback in a number of ways: from questionnaires, visits to the school, suggestion box in reception, and through parents emailing the school. All suggestions are greatly appreciated.

I am very keen to involve parents / carers further and as such am arranging an informal ‘Meet the Headteacher’ on Wednesday, 27th January 2021 between 3.00pm and 6.30pm and I invite you to book an optional 10 minute 121 appointment with me on School Cloud in the same way as you booked an appointment with teachers at the recent parents evening. The link will be sent out by email over the coming days.

I believe it is of vital importance to work in partnership with parents and carers and that clear communication between school and parents is important to help children benefit as much as possible from their time in school. If you have any ideas or suggestions on how we can further improve communication with parents please do contact us at admin@shepwell.walsall.sch.uk

I look forward to meeting you next week and to our continued partnership.

Kind regards

Stephen Pritchard-Jones
